

FOR THE MOKRIEVO HOSPITAL

Let us support the renovation project

Let us support the renovation of the Mokrievo medical facility together.

Our association is collecting donations to finance the necessary renovations of the hospital. Every contribution, small or large, helps us make this project a reality.

Would you like to help?

Simply scan the QR code below with your banking app and choose the amount of your donation. You can also make the payment at a post office counter using the same QR bill: enter the amount together with your name and address.

If you live abroad, you can donate using the IBAN shown on the bill. BIC: BCVLCH2LXXX.

Thank you sincerely for your support!

Together, we can do something positive for our hospital, for our loved ones, for ourselves and for future generations.
